### GREAT EXCITEMENT IN ROME.

Head of the Cabinet Congratulated  
on All Sides on His  
Escape.

(By Associated Press.)

ROME, June 16.—An attempt to assassinate Premier Crispi was made to-day.

The Premier was driving in his carriage to the Chamber of Deputies when a man suddenly drew a revolver from his pocket and fired at him.

The Premier was not wounded, and springing from his carriage he seized the would-be murderer and held him until a policeman arrived.

Great excitement prevails throughout the city, and the Premier is being congratulated on all sides upon his narrow escape.

The shooting occurred at 2.30 P. M., just as the carriage was turning from the Via Gregoriana into the Via Capoleone. The assassin, who was apparently loitering on the sidewalk, put his hand into his breast, drew a revolver, dashed into the street and almost close up to the carriage. He then lifted his revolver, took a short aim at the Premier and fired.

Deputy Pugliese, who was one of the first to reach the would-be murderer, picked up the revolver, when the prisoner was in safe hands, and handed it to the Premier, who examined it curiously and with great coolness.

When the sitting of the Chamber of Deputies opened there were cheers for the Premier, and the President arose and told the members of the attempt upon his life, severely denouncing the outrage and expressing the hope that Sign. Crispi's life would be long preserved to his country.

The remarks of the President were greeted with loud and continued applause from the members and from the people in the galleries.
